

Carolinan Medical Center
Union

TO BECOME A VOLUNTEER WITH OUR FACILITY

The following immunization records need to be obtained and brought to employee health prior to you starting:

All volunteers should bring the following

- Any and all **TB** skin test results in the past two (2) years
- Tetanus – if given in the last 2 years **and** if you are under 65 years old
- **Measles, Mumps, Rubella**

Evidence of Immunity to MMR:

1. Birth before 1957 one dose of MMR
2. Documentation of two doses of MMR
3. Laboratory evidence (titers) of all three diseases
4. Documentation of physician diagnosed MMR

Suggestions of possible sources of records:

1. High School Transcript
2. College Health Records
3. Pediatrician Records
4. Health Department of the county where you grew up
5. Previous employers, especially health care providers

*****If you do not bring your records, required immunizations will be given or blood will be drawn before you can start volunteering with us. If you refuse either of these, you will not be cleared to begin.*****

If you have any questions regarding this information, please call the

EMPLOYEE HEALTH NURSE

704-283-3200

You may fax immunizations to 704-226-5021.

****Effective, February 14, 2006, the hospital campus is Tobacco Free.****
